THE NEWSPAPER MADE FOR YOU & ABOUT YOU!

## Manatee Spotlight

### Twins Take the Spotlight!

Congratulations to Mrs. Cook's spectacular 1st graders: Collin Woznick and Jordyn Woznick!

In the Moon Lake Times Newspaper, every new issue we will have a Manatee Spotlight. Manatee Spotlight is teachers nominating 1-2 students from our school that are best behaved and follow 7 habits. Collin and Jordyn encourage other kids to win Manatee Spotlight by "working hard and being kind every day." Mrs. Cook calls them role models for their class!

### Tech to Try!

American Reading Company's Bookshelf is an easy to use application for young and old readers. There are stories ranging from A-Z with thousands of authors. One of the reasons book shelf is good is that book shelf is IRLA leveled from Yellow (Kindergarten) to purple (7<sup>th</sup> Grade) reading levels! Also, Bookshelf gives you access to lots of awesome books you might not have in your classroom library. Book Shelf is great for readers of all ages! I highly recommend you try this app on your computer or tablet... today!

# Book Reviews!

## Bus Ride Bully

Cari Meister

Genre: Realistic Fiction

IRLA Level: 1Red

Bus Ride Bully was a great graphic novel. It was about a boy who doesn't like the bus and another boy named Max, the bully. Max bullies Gavin everyday, but Gavin realizes that the only reason he bullies others is because he is lonely and doesn't have any friends! I would recommend this book because it teaches the lesson to be friendly and think about other's feelings. It really gives you a feeling of friendship and how you shouldn't be a bully.

## Amistad:

The Story of a Slave Ship  
McKissack, Patricia C.

Genre: History/Non-fiction

IRLA Level: Black

In Spanish, *Amistad* means friendship. It was also the name of a slave ship. But in 1838, the brave Africans would not give up their freedom. I would highly recommend this book because it tells what the Africans did to keep their freedom. Also, it would teach us to never to give up!

# ALL ABOUT SPORTS

This year the Super Bowl was awesome! I thought the Atlanta Falcons were going to win. But the New England Patriots had an awesome come back and won their 5th Super Bowl. At the beginning the Atlanta Falcons had a 24 point lead. Tom Brady was not doing too well and the ball either got picked off (intercepted) or turned over on downs. The only reason he was not doing good at the beginning was Tom Brady's mother was battling cancer and he thought she was not going to make it to Super Bowl 51. But at the end he pulled it together and remained a champion. On the other hand Matt Ryan the quarter back of the Atlanta Falcons was devastated that he lost, but he still congratulated Tom Brady and the Patriots. Also Super Bowl 51 was the first Super Bowl in all Football history that went into overtime which is like a sudden death match. So whoever scored first were the world champions and the winners of Super Bowl 51. The Patriots were the first ones to score!

## *A Letter from The Editor*

Dear Readers,

I came up with the newspaper as a fun project for not just my classmates to enjoy, but for my teacher and school to enjoy as well! The newspaper gives lots of great information to kids from any age and any grade. Truth is I never could have pulled this project off without the help of my teacher and classmates. I hope the school enjoys the newspaper as much as I and my classmates do. Have a great story idea or know of a cool event coming up? Sent your ideas to Miss Strom and our Moon Lake Times Staff.

Sincerely, Joey Bottass
